

VENTANA

RESIDENCES

COMPOSED AROUND COMFORT

Warsan 4, Dubai

A concise project guide

A PROJECT BY ZEDOR DEVELOPMENT

THE VISION

Architecture with breathing space

Named after the Spanish word for window, Ventana is designed around light, airflow and practical modern living. Clean geometry, open layouts and considered details create a calm residential address in Warsan 4.

CONNECTED TO THE FUTURE

Minutes from everyday Dubai

Warsan 4 sits within a growing corridor with convenient access to established communities, leisure destinations and Dubai's core.

Travel times are approximate and may vary with traffic and route conditions.

**INTUITIVE
BY DESIGN**

THE RESIDENCES

Smart spaces for modern living

STUDIO

407 - 679 SQ FT

Efficient layouts created to feel open and functional.

1 BEDROOM

673 - 906 SQ FT

Balanced proportions for calm and comfortable daily living.

1 BED + MULTIPURPOSE

760 - 1,560 SQ FT

Flexible space for work, creativity or extended living.

RETAIL

1,500 - 1,900 SQ FT

Street-level commercial opportunities within the development.

DESIGNED AROUND WELL-BEING

Everyday leisure, thoughtfully arranged

A calm podium retreat brings together wellness, recreation and family-friendly spaces.

01 SWIMMING POOL

02 KIDS POOL

03 JACUZZI

04 SUNKEN LOUNGE

05 SPLASH PAD

06 INDOOR GYM

THE SIGNATURE ROOFTOP

A place for every generation

Open-air amenities extend daily life beyond the apartment, offering room to gather, relax and enjoy evenings above the city.

1

BARBEQUE CORNER

Shared meals and relaxed evenings.

2

KIDS PLAY AREA

A secure space to play and explore.

3

FAMILY SITTING

Comfortable areas for connection.

4

MINI CINEMA

Open-air entertainment beneath the stars.

FLEXIBLE OWNERSHIP

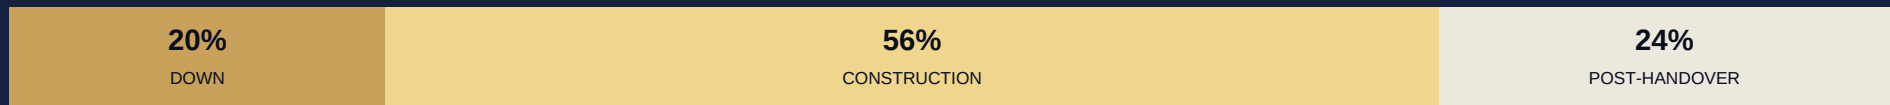

Two indicative payment structures

Choose between a handover-focused schedule or an option that extends part of the balance after handover.

OPTION A - STANDARD PLAN

OPTION B - POST-HANDOVER PLAN

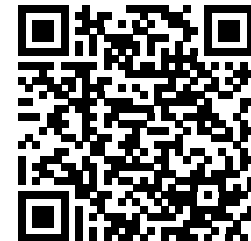

Post-handover portion shown as 1% per month in the developer payment-plan document.

Payment schedules, milestones and eligibility are subject to developer confirmation and unit availability.
