EXCEPTIONAL

At SAAS Properties, we craft homes that transcend the everyday, offering an unparalleled experience defined by timeless design and refined aesthetics. We endeavour to create premium living space that seamlessly blends innovation and sustainability. With projects that set the benchmark for elegance and quality in the region, SAAS Properties is synonymous with luxury living in the UAE. Our acclaimed projects include SAAS Tower in Dubai, One Reem Island, Reem Five, Reem Nine, Reem Eight, Reem Eleven and SAAS Business Tower, in Abu Dhabi.

The image shows a high-angle view of a modern, curved building with a glass facade. A rooftop infinity pool is visible, with lounge chairs and potted plants nearby. The building's design is characterized by smooth, flowing curves. In the background, a city skyline is visible under a hazy, sunset sky, with the Burj Khalifa standing out prominently. The overall atmosphere is one of luxury and modern architecture.

Life flows in curves,
REVEALING ENDLESS
POSSIBILITIES

A high-angle view of a rooftop infinity pool in Dubai. The pool's edge is perfectly aligned with the horizon, creating a seamless transition between the turquoise water and the city skyline. In the foreground, two lounge chairs with white cushions are positioned on a light-colored stone deck. A pair of sunglasses and a small notebook rest on one of the chairs. To the left, a large, rounded green shrub in a dark planter adds a touch of nature. The background features a vast urban landscape with numerous buildings, including the Burj Khalifa on the right, under a clear blue sky.

Art of curves in CONTEMPORARY ARCHITECTURE

Nestled in Dubai Science Park, this exquisite development features an elegantly curved design, harmonising natural airflow to evoke a sense of openness and freedom. The two masterfully designed towers house a collection of apartments, townhouses, and duplex sky villas, each meticulously crafted with sophistication and timeless style.

The hub for

WORK, PLAY & LIVE

In addition to being a hub for healthcare, energy and environment sciences, Dubai Science Park is minutes away from business districts like Dubai Hills Business Park, Dubai Media City and Dubai Internet City, among others.

Students can choose from some of Dubai's finest schools, from Repton School within Dubai Science Park itself to Nord Anglia International School and King's School in the immediate vicinity.

Golfers will love the proximity to Dubai's finest golf courses including the legendary Els Club. Your well-being too receives world-class attention thanks to the likes of Kings College Hospital and Mediclinic Parkview Hospital being right around the corner.

Effortless access to PRIME DESTINATIONS

Ideally positioned between three major highways, offering easy access to Dubai's iconic landmarks, the development presents an unparalleled blend of lifestyle and convenience. It's just a minute from Sheikh Mohammed Bin Zayed Road and three minutes from Al Khail Road.
